A music video is a short film that integrates a song with imagery, and is produced for promotional or artistic purposes. Modern music videos are primarily made and used as a marketing device intended to promote the sale of music recordings. There are also cases where songs are used in tie-in marketing campaigns that allow them to become more than just a song.

Music video - Wikipedia

We worked with the BBC to make this video about the Titanic. It is for BBC History and serves to introduce people to the basics of the story. We think it is important to compliment the material for enthusiasts with something for those new to the subject. bbc.co.uk/history/titanic. Here is some more information about how we make these films ...
