With the release of the Dishonored 2 artbook - which is fantastic - It was unfortunate that the Dunwall Archives was mostly just a collection of the lore pieces from the first game. It is well put together, a very fun thumb through. This is a typical coffee book table though - just for geeks and fans of the series.

Rifles are one of the weapons used by the City Watch in Dunwall. Like the more common pistols, the rifles fire a projectile via a specially designed miniature whale oil tank. Designed to provide the same firepower of the pistols but in a long-ranged, stable form, the only mass-produced rifles are reserved almost exclusively for military use. However, a number of custom-made hunting rifles ...

Dishonored, then, offers yet another fantasy. As horrific as Dunwall's plague is, there's also a strange comfort in the fact that no one, on either side of the game's conflict, is denying the realities of its existence. Heroes, villains, and everyone caught in-between are equally cautious about their own safety.
