Violence is endemic in certain societies, with the people more volatile, more prone and ready to resort to mass violence than others. The book is built on detailed case studies: Indonesia, 1965-66; the Armenian massacre, 1915-23; Bangladesh, 1971-77 and the "German occupation and Greek society in crisis".

Review of 'Extremely Violent Societies' Christian Gerlach 2011

These are the same goals that turned the expression of legitimate grievances in France, Russia, and Cuba into violent, repressive, murderous regimes that waged war on culture, erased history, trampled basic human rights, and perpetrated mass genocide on millions of innocent people. This is a very dangerous moment in U.S. history.

News - Insurrection and Violence Threaten America's Very ...

Media violence on TV is a reflection of the level of violence that occurs in the real world. Many TV programmers argue that their shows just mirror the violence that goes on in the real world. Zev Braun, of CBS, in 1990 argued in a debate on the Violence Bill that, "We live in a violent society.

Research on the effects of violence in mass media - Wikipedia

acts of mass violence. Thus, the question, "why these particular people?" still needs to be answered. In this article, I explore a wide range of factors in the lives of perpetrators of mass violence. Based on previous research (Langman, 2009, 2015b, 2017), these factors are categorized into three domains: biological, psychological, and social.
