2009 Author Paul D Allison

***Fixed Effects estimators: an introduction*** This video explains the motivation, and mechanics behind **Fixed Effects** estimators in panel econometrics. Check out ...

***Fixed effects in panel data*** This econometrics video covers **fixed effects models** in panel (longitudinal) data sets.

***Fixed and random effects with Tom Reader*** Describing the difference between **fixed** and random **effects** in statistical **models**.

***Panel Data Models with Individual and Time Fixed Effects*** An introduction to basic panel data econometrics. Also watch my video on "**Fixed Effects** vs Random Effects". As always, I am ...

## Where To Download Fixed Effects Regression Models

**Fixed Effects in Stata** Introduction to implementing **fixed effects models** in Stata. Includes how to manually implement **fixed effects** using dummy variable ...

**Panel data econometrics - an introduction** This video provides an introduction to panel data econometrics, highlighting the issue of unobserved heterogeneity. Check out ...

**Fixed Effects and Random Effects Models** 2 main types of statistical **models** are used to combine studies in a meta-**analysis**. This video will give a very basic overview of the ...

**Linear mixed effects models** When to choose mixed-effects **models**, how to determine **fixed effects** vs. random effects, and nested vs. crossed sampling ...

**Panel Data Analysis | Econometrics | Fixed effect | Random effect | Time**

## Where To Download Fixed Effects Regression Models

**Series | Data Science** This video is on Panel Data **Analysis**. Panel data has features of both Time series data and Cross section data. You can use panel ...

***Panel Data and Fixed Effects in R***  
Tutorial video explaining the basics of working with panel data in R, including estimation of a **fixed effects model** using dummy ...

***Fixed effects panel regression in SPSS using Least squares dummy variable approach*** In this video, I provide a demonstration of how to carry out **fixed effects panel regression** using SPSS. I begin with a short overview ...

***Difference between fixed effect and random effect models in panel regression***

***Intro to Mixed Effect Models*** Mixed **effect models** include **fixed** (e.g., planned treatments) and random
