This work is an intelligent, well-written, and comprehensive overview of freight train graffiti, a phenomenon that, while its roots reach back to the earliest days of the American railroad, has become

Nonfiction Book Review: Freight Train Graffiti by Roger ...

Graffiti is an emotive topic. Simply mention the word and you'll elicit responses that range from "vandalism" to "artistic genius" and several degrees in-between. Irrespective of our individual thoughts and feelings though, it's undeniable that graffiti is a noticeable part of modern life, and is particularly prevalent on our railroad system.
