It covers just about EVERYTHING. I recommend reading the whole thing, but it can be used as a simple reference; still, get familiar with the book because, especially for very new beginners, you may not know where to find the answers you want if you aren't familiar with all the parts. Read more. 13 people found this helpful.

is being revised | English examples in context | Ludwig

The old CCF is the one that has been used under the DOT-regulated program since 2017. Most of the changes adopted in the revised CCF were made to accommodate the use of oral fluid specimens for the federal drug testing program. Oral fluid drug testing is not authorized in DOT's current drug testing program.

U.S. DOT issues guidance on revised Federal Drug Testing ...
