The tenth anniversary edition of the international bestseller with an updated introduction by Naomi Klein. In the last decade No Logo has become an international phenomenon. Equal parts journalistic expose, mall-rat memoir, and political and cultural analysis, it vividly documents the invasive economic practices and damaging social effects of the ruthless corporatism that characterizes many of our powerful institutions.

No Logo 10th Anniversary Edition by Klein, Naomi (ebook)

October 27, 2015. This book's main content has not been updated since the late 90's and thus does not cover all the changes that have happened in the world since; it does have a comment on 9/11 but it is extremely brief. It would have been interesting to see Klein's take on the 2008 recession.
