Parents have the capacity to help teens create a positive self-image by providing support during a time that can be very confusing to both. Wanting to protect their children from both current and...

Teenagers & Relationships with Parents

4.0 out of 5 stars Parenting Teens in a Confusing Culture. Reviewed in the United States on April 17, 2010. Verified Purchase. I like the author and the subjects discussed are relevant. The author doesn't include as many biblical references as I was hoping for; he writes more like a counselor than anything. Good answers to tough questions, though.

Parenting - Focus on the Family

Parenting a confusing tween is, well, confusing! I knew he needed me, his tears told me so. His words were lacking, but also unnecessary. His eyes said it all. Parenting a Confusing Tween: I sat down on his bed. Well, first I pushed aside three stuffed animals (the ones he will NEVER admit to owning) and a poop emoji pillow - and THEN I sat down.

Parenting a Confusing Tween Without Losing Your Mind

Mark answers 32 tough questions asked by parents of teenagers, with his usual wit and the biblical wisdom of the ages.

Parenting Teens in a Confusing Culture - Gregston, Mark ...

Bringing up a child with autism can be challenging, and, in some cases, overwhelming. Children with autism don't communicate, play, or behave like their neurotypical peers, and their behaviors can be confusing, frustrating, or frankly upsetting to parents. At the same time, autistic children have strengths and abilities that can only emerge when a parent is tuned in and willing to engage in a ...

Parenting Styles That Don't Work With an Autistic Child

Adolescence is a time when sexual thoughts and feelings become intense and sometimes confusing. For gay teens they can be doubly so. Realizing that their feelings and desires are different from their friends can create a pressure to fit in and keep their sexual orientation secret. They can fear rejection, discrimination and even violence.
