Of The Book Thief Western

Prior to waking up, the book thief was dreaming about the Führer, Adolf Hitler. In the dream, she was attending a rally at which he spoke, looking at the skull-colored part in his hair and the perfect square of his mustache. She was listening contentedly to the torrent of words spilling from his mouth.

Table of Contents - Western School Of Technology

Death introduces himself as the narrator of the novel. The first time he saw the book thief, he says, was on a train. The next time he saw her was when he came for a pilot who had crashed his plane. And the third time was after a bombing. He associates a color with each sighting: white, red, and black, the colors of the Nazi flag.

The Book Thief by Markus Zusak - Goodreads

Literary critic Harold Bloom's The Western Canon is more than a required reading list-it is a vision. Infused with a love of learning, compelling in its arguments for a unifying written culture, it argues brilliantly against the politicization of literature and presents a guide to the great works of the western literary tradition and essential writers of the ages.
