College sports is a massive industry, and these men stand to lose quite a bit of cash if it were to evaporate. For all the reasons I have described in this article, many have argued that college athletes should be paid as employees so that they can share in some of the massive profit generated by their labor.

## **Why College Sports Should Be Discontinued**

The physical activity that developed into sports had early links with ritual, warfare and entertainment. Study of the history of sport can teach lessons about social changes and about the nature of sport itself, as sport seems involved in the development of basic human skills (compare play ). As one delves further back in history, dwindling evidence makes theories of the origins and purposes of sport more and more difficult to support.
