Almost any dealer in the US will have a service manual--it will not be exactly for the YM1500, but will be for the closest model that was sold in the US. For my YM 1510D it is the YM 186. The parts manual is available on CD so it would be easy to send to you, the service manual is big and would be expensive--or very slow to send to you.

Welcome to YM Owners!

I don't believe that there is an English language 1500 manual. But, when I had my 1500, I had a manual that covered the YM155 through YM240 models, which are American models that are quite similar to the 1500. It wasn't an exact match, but it was darn close -- and close enough for operation and most general maintenance/repair. Email for ...
